### LOVE ITEMS - EP 10 - BACK TO BASICS

00:02 ELOC

I am so sorry for Cloe. When I analyzed that compass, I was so sure we found love. I need to analyze it again, but I can't do it alone. Pierre, would you like to help me?

00:16 ELOC

This is the plan:

The compass is in the drawer of this table, I will help you to get out of your cage so that you can sneak into the drawer and push the compass towards me. Got it?

Pierre, are you listening to me?

00:36 ELOC

Pierre! What are doing? The drawer is on the left! No the other left! That's right! Almost there! Pierre! Pierre. Are you there??

00:54 ELOC

Alright...you almost made it, now push the compass toward me!

Here we go:

Analyzing. Three months after receiving the compass, Cloe started to fight a lot with Davide. One day, she decided to knock at his door with the compass in her hands, she wanted to tell him that they could face everything together. Davide was not at home, Cloe tried to call him, but he said he couldn't make it.

Cloe spent the whole day waiting outside of his door, but he never showed up.

01:39 ELOC

That damned chameleon. Ok, Pierre, go back to your cage. We need to talk to Cloe when she comes back.

01:49 CLOE

Ok, I think I went too far. I bought 1 kg of marshmallows. I'm probably gonna die after eating all of them.

01:56 ELOC

Cloe, I need you to do an exercise.

02:00 CLOE

No, I just want to eat my marshmallows-

02:03 ELOC

CLOE! Repeat after me:

“Even if my heart hurts, I’m worthy of love.”

02:10 CLOE

What are you a life coach now?

02:12 ELOC

Cloe! My data shows that this will help.

REPEAT AFTER ME:

02:20 CLOE

Even if my heart hurts, I’m worthy of love.

02:24 ELOC

“I will move on from this.”

02:27 CLOE

I...I will move on from this.

02:30 ELOC

“The best is yet to come.”

02:34 CLOE

The best is yet to come. ...Why are you doing this, Eloc?

02:39 ELOC

Cloe, Pierre and I have to confess something to you...

02:43 CLOE

Ok...

02:45 ELOC

We took the compass again.

02:47 CLOE

Oh, come on!!! Why did you do that? And... how? It was in the drawer.

02:53 ELOC

Let’s say that Pierre and I are a good team. Anyway, I needed to know Davide’s story in order to help you. Cloe, Davide’s behavior is not part of any of the data we have collected for the Romance Formula. We need to get you back on track.

03:09 CLOE

Ok, I get that, but can we do this like tomorrow? Please... I just want to eat my marshmallows and watch a terrible movie.

03:18 ELOC

Cloe, while codifying the Romance Formula we detected 3 major data points around male humans that will help you start a successful relationship.

Number 1: The male human we're searching for is willing to love you.

03:31 CLOE

Oh, Eloc...

03:32 ELOC

Number 2: The male human we're searching for is willing to listen and support you.

03:38 ELOC

Number 3: The male human we're searching for knows how to make you laugh, and think about the future.

Cloe, to use sporting terminology: Davide is OH FOR THREE.

03:51 CLOE

Yes, I know. But I created you because my breakup with Davide broke me to the point where I'd never be able to fall in love again, and this guy literally just turned around and married my friend!

04:05 ELOC

I understand. But we're here for a purpose. To quote the 2006 classic love story: High School Musical 1: "You've gotta keep ya head in tha game!". We must move on and continue the search by analyzing more objects! But we'll take it easy today. So now, if you want, you can eat your marshmallows...

04:29 CLOE

Oh, thank you!
