LOVE ITEMS - EP 11 - YES BALL

00:07 ELOC

Good morning Cloe, it is a beautiful sunny day here in Paris, the temperature outside is 9 degree Celsius, and metro lines 7,4, A and B are experiencing delays.

The love quote of the day is:

I came in like a wrecking ball

I never hit so hard in love

00:26 CLOE

Eloc, that's a Miley Cyrus song.

00:28 ELOC

I know, Cloe. I would like to play my mix of it while you prepare your coffee.

00:41 CLOE

Ok Eloc, I get that you like this song but can you put on something a little upbeat I'm going to work out.

00:49 ELOC

I don't understand why, Cloe, anyway, I'll play your favorite song from the movie Flashdance.

00:58 CLOE

This is so much better! And look, Pierre is enjoying it too!

01:06 ELOC

Cloe, I'm kind of jealous that you two can exercise while I can't. I want wheels.

01:11 CLOE

What?!

01:13 ELOC

You heard me, Cloe.

01:15 CLOE

Eloc, you only want wheels to easily steal the objects in the house and analyze them.

01:21 ELOC

Well, Cloe, I don't see the problem, every time I analyzed the objects by myself we discovered important data points for the Romance Formula. Plus, I feel excluded, and I don't like to feel excluded.

01:34 CLOE

Alright Eloc, I promise I'll get you some wheels.

01:38 ELOC

YES, finally! Cloe, you have brunch with your colleague Claire in half an hour. Do you remember that?

01:47 CLOE

Oh gosh! No!NOK, I have my wallet, tampons, mints, scarf, charger-

01:56 ELOC

What is that Cloe?

01:58 CLOE

What?

02:00 ELOC

I can see a little ball among the objects in your purse.

02:03 CLOE

Oh. Yes, well...yesterday I was having coffee at the brasserie downstairs and I found this little decision-making ball on a table...and well, I took it.

02:14 ELOC

Is it like a wrecking ball?

02:17 CLOE

Well, not really...it's like a magic 8 ball. You can ask it questions and receive answers.

02:24 ELOC

Cloe, we should ask the ball when you're going to provide me with wheels.

02:27 CLOE

No, I mean... simple questions, like yes and no ones.

Like: will I be late for the brunch today? It says YES...well I'm not surprised. Wait...this is weird...this ball always says yes. I don't know whose ball this is, but would you like to analyze it while I get ready?

02:50 ELOC

Yes, Cloe! It sounds fun.

Analyzing. Mr. Guillaume Baudin bought this ball at a fair here in Paris. After breaking up with his girlfriend he was afraid of making decisions with women, so he thought that the ball

could help him. After one week, he realized that the ball was rigged because it always said "YES". He decided to keep it anyway as a lucky charm not to be afraid of love anymore.

03:30 CLOE

Wow. That's odd but also kind of romantic.

03:36 ELOC

Cloe, do we know who Mr. Guillaume Baudin is?

03:39 CLOE

Actually no, I found this ball on an empty table...

03:44 LOC

Cloe, we should find out who this Guillaume Baudin is.

03:47 CLOE

Maybe I can try to go back to that bar with the ball and ask Rapahel, the bartender. I kind of like this story.

03:54 ELOC

Me too Cloe...you should definitely find him! I already imagine you two in a fountain, like in that famous movie that you find boring: La Dolce Vita by Federico Fellini.

04:05 CLOE

Hey, I was really tired that day. I love that movie, that scene is so romantic. Oh gosh, I'm super late. Ok, I'll stop by the bar later today and I'll try to find out who he is.

04:19 ELOC

Cloe?

04:20 CLOE

Yes, Eloc?

04:22 ELOC

I told you this was a wrecking ball.

04:25 CLOE

We'll see Eloc! Ciao!
