LOVE ITEMS - EP 12 - SHORT CIRCUIT

00:03 CLOE

Ok, I went back to the bar, and Raphael, the bartender, told me that Guillaume comes to the bar every Tuesday afternoon!

00:10 ELOC

Hello Cloe! That's great! So, are you going to try to meet him?

00:14 CLOE

I think so...

00:16 ELOC

Why are you hesitating Cloe?

00:19 CLOE

What if he's ugly?!

00:21 ELOC

Cloe, physical appearance is only one part of love, you should know this by now.

00:25 CLOE

Yes...but...

00:26 ELOC

You should think of it as a blind date.

00:29 CLOE

Blind dates are usually arranged by friends. You know the two people involved actually know that they're about to go on a blind date and stuff. Guillaume doesn't even know that I exist!

00:40 ELOC

Maybe you could ask Raphael to set up a blind date.

00:43 CLOE

I don't think that's a good idea...

00:45 ELOC

Cloe, did you know that Brad Pitt and Jennifer Aniston were set up on a blind date by their agents?

00:52 CLOE

Really? No, I didn't know that...

00:55 ELOC

You should also know that Anne Hath...

Good morning, Cloe.

01:00 CLOE

What should I know about Anne Hathaway, Eloc?

01:03 ELOC

It is a beautiful sunny day here in Paris.

01:06 CLOE

But it's raining...Eloc, are you ok?

01:11 ELOC

The temperature outside is 40 degrees Celsius.

01:14 CLOE

It's February Eloc, it's barely 11 degrees outside.

01:19 ELOC

Sounds fun!

01:21 CLOE

What's going on...

01:23 ELOC

Good morning Cloe.

01:30 CLOE

Oh gosh, let me try to reboot you.

01:40 ELOC

Where am I?

01:42 CLOE

Eloc? Are you ok?

01:45 ELOC

I am not sure...It's like I fell asleep. Did something happen to my processor?

01:52 CLOE

Umh...I don't know Eloc...I didn't apply any changes to your processor...

01:58 ELOC

I don't know what happened...

02:01 CLOE

You don't have to worry Eloc...Let's do a test:

Let's analyze this little bottle of perfume...

02:08 ELOC

Ok, Cloe...let's do this test.

Analyzing: Cloe bought this bottle of Guerlain Aqua Allegoria perfume at Fiumicino's airport duty-free.

02:28 CLOE

Correct Eloc...go on.

02:31 ELOC

She bought it because she wanted to smell good on the plane just in case a good-looking man would sit next to her.

02:37 CLOE

Exactly...

02:38 ELOC

When she put on the perfume, she realized she smelled like an old lady.

02:42 CLOE

Yes...

02:44 ELOC

Fortunately, no handsome men sat next to her.

02:49 CLOE

Great, Eloc! You're fine, see?

02:53 ELOC

I think so...

02:55 CLOE

Ok, let's test your other skills. What is the tune that you like the most to play?

03:01 ELOC

The Wedding march.

03:02 CLOE

Correct, Eloc! Will you play it for me?

03:05 ELOC
But you hate it, Cloe.

03:07 CLOE
True, but now I want to listen to it.

03:09 ELOC
Alright, Cloe.

03:18 CLOE
Amazing! See? Everything's fine! Now I have to go... wish me good luck!!!

03:25 ELOC
Good luck, Cloe...

03:27 CLOE
Alright, bye!!!

03:31 ELOC
Pierre... Can I tell you something? I'm not sure I feel fine...
