I'm wondering how is it going with Guillaume. Pierre be positive!

Wait...I just understood what you said. This is as Cloe would say: So freaking cool!

Yes, Pierre, I know that we don't know him enough to trust him, but he seems like a nice guy!

00:20 ELOC

What are you talking about?!

I've always been nice to you Pierre.

I didn't know you when you arrived but then you gained my trust.

Oh, so you're saying that as I was suspicious of you and you are suspicious of Guillaume now? That is crazy Pierre! Guillaume didn't invade the apartment!

00:40 ELOC

You did Pierre! You had all the attention!

I am not jealous of you.

I'M Cloe's best friend, not you.

00:50 ELOC

LET'S ASK CLOE THEN!

00:52 CLOE

Hey there...what's going on?

00:56 ELOC

Good evening Cloe, after the short circuit it turns out I am able to understand the hamster's language and now Pierre is saying that HE's your best friend. Tell him he's wrong.

01:06 CLOE

What? You can understand Pierre's language?! That's amazing! I don't know what's going on with your skills Eloc but I'm gonna get the Nobel prize if you keep this up!

01:17 ELOC

Cloe, who's your best friend?

01:10 CLOE

Guys stop it, I have to tell you what happened!!!

01:22 ELOC

Sorry. You're right. How did it go with Guillaume? Did you find him?

01:28 CLOE

Very good...

01:29 ELOC

Did you tell him that you're a UNIQUE ENERGETIC WOMAN who steals objects to analyze them using my magia??

01:36 CLOE

Kind of, I left out the whole stealing objects FROM EVERYONE part though...

01:42 ELOC

So... what did he say?

01:44 CLOE

He said we are all a little odd in some way...

01:46 ELOC

That is SO romantic Cloe. Did you hear Pierre?! I told you that Guillaume was a sensitive male human!

01:54 CLOE

When I arrived at the bar he was already there. He told Raphael he wanted to wait for me since he didn't find me in my apartment. I was embarrassed at the beginning...but then, I told him: "I stole your book because I wanted an excuse to talk to you. That might sound weird, but I hope you find it cute."

02:12 ELOC

And?

02:13 CLOE

And he said that yes it was a bit odd but he liked it.

02:18 ELOC

If only he knew you do this to everyone...

02:20 CLOE

He's special, Eloc!

02:21 ELOC

I know, I know... What happened then?

02:25 CLOE

Well, we took a walk...you know, he's Parisian, he brought me to Le Marais.

02:30 ELOC

Was there a street musician playing a romantic jazz tune?

02:34 CLOE

Actually...yes there was...how did you know that?

02:39 ELOC

I didn't, I'm just sharing the data I have collected from French romantic movies.

02:43 CLOE

This isn't a movie Eloc!

02:49 ELOC

Did you kiss right after?

02:50 CLOE

What's with the music? Umh, yes we kissed...

02:56 ELOC

OOOOHH ! This IS VERY romantic. Please continue.

03:01 CLOE

Alright. Umh...well, he brought me to this place where they won the #1 croissant in Paris. And then we were walking down the street and I leaned on him cause it was cold and then I dropped my hand and held it.

03:15 ELOC

Oh Really?

03:17 CLOE

Yeah.. it was amazing! We just connected. We walked like that for a while until we stopped in front of a bookstore and I said I was happy that I stole his book because it led us to be there together.

03:31 ELOC

OH EM GEE

03:33 CLOE

And then he kissed me.

03:37 ELOC

This is wonderful! Now you're not suspicious anymore Pierre, uh?

03:43 CLOE

Was Pierre suspicious? Why?

03:46 ELOC

Urgh...he said that we don't know Guillaume enough to trust him...

03:52 CLOE

Well, actually we don't...

03:55 ELOC

NO, NO, NO CLOE!

OVERTHINKING PROTOCOL: ACTIVATED.

Step 1: If Cloe starts overthinking you should stop her IMMEDIATELY.

04:06 CLOE

I don't remember making that...

04:08 ELOC

I made it myself Cloe, and it only has 1 Step.

DO NOT OVERTHINK. Enjoy the moment.

04:15 CLOE

Wow...that was fast.

04:18 ELOC

I can repeat it if you want.

04:20 CLOE

No, no, it's fine. Ok, I promise I will try to enjoy this moment.

04:25 ELOC

Great! Soooooo which bookstore rom-com do you wanna watch tonight?

YOU GOT MAIL or NOTTING HILL.

04:34 ELOC

Pierre votes for You got Mail!

04:36 CLOE

Okay. You got Mail it is.
