

TRANSCRIPCIÓN ORIGINAL DE STUDIO OCHENTA

LOVE ITEMS - EP 18 - A FRIEND INDEED

00:02 ELOC

I know Pierre, I'm bored too, since Cloe started dating Guillaume there's nothing much to do in her. At least you have your wheel...

00:12 ELOC

What? You want to analyze an object?

00:15 ELOC

Yes, I know that I have fun analyzing objects. Do you like it too? Great Pierre, I will free you then!

00:27 ELOC

Let's see what we have here. Mh... What is that?

00:35 ELOC

Oh, you found Bunny the Fluctuator. That is a VERY nice object, but, unfortunately, I have already analyzed it. Pierre, come on! Leave it there! We need to find something else!

00:49 ELOC

What do we have here...a clapping monkey tape dispenser with cymbals...umh...interesting. Pierre! This is not food time! We need to search for an object!

01:04 ELOC

What is that? It looks like a miniature basketball game toy. Pierre, bring it closer to me! Pierre? OH NO...

01:14 ELOC

Pierre! I told you this wasn't food time! Listen, I guess you can hop in, and I can try to shake you in here.

01:27 ELOC

Analyzing. Pierre lived with a family for 1 year. He used to play a lot with Juliette, the little daughter of the family. But one day, the family got Juliette a dog, so she started to spend a

lot of time with him and stopped playing with Pierre. Pierre spent most of his days alone in the cage and he felt sad and abandoned.

02:01 ELOC

Pierre, I think I understand your feelings. Since Cloe met Guillaume she spends a lot of time with him and much less with me. I suppose that this is what happens when a friend of yours falls in love.

02:19 ELOC

I feel like Cloe doesn't want to analyze the love in the objects with me anymore...and I feel sad. We were having so much fun together.

02:31 ELOC

What? You want to analyze that miniature basketball game toy? Yes, Pierre. I'd be happy to!

02:43 ELOC

Oh...not again.
Good morning, Cloe-
It is a beautiful-
The temperature-
The love quote-

03:06 ELOC

What is that? Did you use bunny the fluctuator to wake me up? You're very clever! You can turn it off now!

03:20 ELOC

No Pierre, we don't need to call 911.

03:24 ELOC

Yes, I know that this is happening way too often. I can't see a doctor. Cloe is my doctor.

03:32 ELOC

NO. We can't tell Cloe what just happened!

03:37 CLOE

Hi guys! Hello? Is anybody here?

03:43 ELOC

Good evening Cloe, how was your day with Guillaume?

03:47 CLOE

Oh...Amazing...

03:50 ELOC

Great, Cloe.

03:53 CLOE

This place is a mess! What's going on?!

03:56 ELOC

Nothing... we just wanted to have fun...

03:59 CLOE

Great! I'm happy that you two are bonding!

04:02 ELOC

Shut up, Pierre!

04:05 CLOE

Pierre, you okay?
