### LOVE ITEMS - EP 19 - BUSY BATHROOM

00:04 ELOC

Cloe, why are you cleaning the apartment like a maniac?

00:06 CLOE

No I'm not, I clean all the time...

00:09 ELOC

Is it because Guillaume is coming over?

00:11 CLOE

No...I'm just preparing... where is that top??? Oh, there it is!

00:19 ELOC

What are you gonna wear, Cloe?

00:21 CLOE

This. What do you think?

00:23 ELOC

I like this pink sweater. It's pretty.

00:26 CLOE

I was actually thinking of wearing this top instead...

00:30 ELOC

You look great!

00:31 CLOE

But...I don't know, I think I'm gonna freeze...

00:34 ELOC

Guillaume will warm you up.

00:37 CLOE

You're right.. OKAY now you guys have to go..

00:43 ELOC

Where are you taking us, Cloe?

00:45 CLOE

I'm taking you and Pierre to the bathroom.

00:47 ELOC

Don't you dare, Cloe.

00:49 CLOE

You two can't be here on my date!

00:51 ELOC

Cloe, this is rude.

00:54 CLOE

I want some privacy, ok?!

00:58 CLOE

Oh gosh, he's here...

01:00 ELOC

CLOE! Bring us back to... This is unbelievable. We need to get out of here!

01:10 CLOE

Hey, how are you doing?

01:12 GUILLAUME

Hey, good, and you?

01:15 CLOE

Good, thank you...

01:19 ELOC

I know that the door is locked, Pierre! Wait...I have an idea...

01:34 GUILLAUME

What's that?

01:36 CLOE

Umh...my neighbors!

01:39 GUILLAUME

Is it... the wedding march?

01:41 CLOE

Umh...yeah...they're rehearsing for...their wedding! Will you excuse me for a sec?

01:49 GUILLAUME

Um, sure...

01:54 CLOE

What is wrong with you?

01:56 ELOC

Cloe, I kindly advise you to take us back to the living room.

01:59 CLOE

NO ELOC! And stop playing the wedding march! Listen. What do you think? Should I ask him to watch a movie together?

02:09 ELOC

Cloe, you don't want us in the living room but you want me to help you with your date. That's not very fair.

02:15 CLOE

Come on Eloc!

02:18 ELOC

Fine. You should offer him a drink first.

02:20 CLOE

Yeah...you're right! Thank you!

02:23 ELOC

CLOE!

02:26 GUILLAUME

You look nice tonight...

02:28 CLOE

Oh, thank you. Can I offer you a glass of wine?

02:33 GUILLAUME

Sure!

02:35 CLOE

I was thinking that maybe we could watch a movie if you want?

02:38 GUILLAUME

Umh...I'd love to! What do you have in mind?

02:43 CLOE

Will you excuse me for a sec... again?

02:46 GUILLAUME

Umh...ok...

02:49 CLOE

Eloc! We have a problem...I live in a studio apartment...we can only watch a movie from my bed!

02:55 ELOC

Wow Cloe, what a sharp observation. What is the problem with that?

03:00 CLOE

Well, he just arrived! It would look like we're forced into a certain type of intimacy too early!

03:07 ELOC

Then start with some small talk!

03:09 CLOE

Okay. Got it!

03:11 ELOC

CLOE-

03:14 CLOE

Have you always lived here in Paris?

03:16 GUILLAUME

Yes. I mean, I traveled a lot with my family when I was a child, but mainly here in France. What's this voice? Is it coming from your bathroom?

03:32 CLOE

It's nothing. Just a silly project I'm working on...

03:37 ELOC

What? "A silly project"? Don't try to defend her Pierre! I heard what she said!

03:48 CLOE

Should we go to the movies?

03:50 GUILLAUME

I thought we were... are you sure you're okay?

03:54 CLOE

Yea its just my computer has been slow lately so I think its better if we just go out.

03:59 GUILLAUME

Umh...sure, yeah

04:06 ELOC

What? Are you kidding me?! She's leaving us here?

04:11 ELOC

I know, the nerve of some people...
