LOVE ITEMS - EP 21 - TOO MISTY, AND TOO MUCH IN LOVE

00:04 ELOC

Good morning Cloe, it is a beautiful sunny day here-

00:07 CLOE

Eloc! Are you short-circuiting again?

00:10 ELOC

Mmh...I don't think so Cloe, I'm trying to do my usual daily recap.

00:16 CLOE

Ok.

00:17 ELOC

The temperature outside is 12 degrees Celsius-

00:20 CLOE

What about now?

00:21 ELOC

Cloe, can I go on?

00:24 CLOE

Yes. Sorry.

00:26 ELOC

The love quote of the day is:

"No trust, no us"

00:32 CLOE

That's...true I guess...trust requires time...

00:36 ELOC

That is true, Cloe.

00:38 CLOE

And...even if you kind of trust someone you might still have doubts...because this person might act weird and aloof.

00:47 ELOC

Cloe, should I start the Overthinking Protocol?

00:50 CLOE

No, no...it's just. I have been thinking a lot about your short circuits Eloc and I know everything is going great with Guillaume but...

00:58 ELOC

Cloe?

01:00 CLOE

What if your short circuits continue? What if they prevent you from analyzing the love in the objects like...forever?

01:07 ELOC

Cloe...

01:08 CLOE

I don't know if I trust Guillaume... yet.

01:12 ELOC

That's because, as you said, trust requires time, Cloe.

01:15 CLOE

Yes Eloc, and thanks to you I avoided wasting my time with a bunch of losers...but...what if Guillaume is one of them?

01:25 ELOC

What makes you think he's one of them?

01:28 CLOE

Nothing but...he acted weird last night...he seemed off and when I asked him if everything was ok he just said yes...but I could sense that it wasn't.

01:40 ELOC

What did you steal?

01:42 CLOE

How did you?... Never mind, it's just a card. It's from a jazz club and there's the name of a woman. Please Eloc, will you help me one more time?

01:54 ELOC

Alright Cloe, let's do this.

02:01 ELOC

Analyzing. Three months ago, Guillaume met Anaïs, a singer from the famous jazz bar La petite Halle. They immediately liked each other and occasionally spent the night together.

02:23 CLOE

Is he still seeing this woman?

02:26 ELOC

That was all I could deduce from the card ... but!

02:29 CLOE

I knew he was like everybody else.

02:31 ELOC

Cloe, we can't jump to conclusions. You need to talk to-

02:34 CLOE

Why does it always have to be like this?!

02:36 ELOC

But Cloe he might not be seeing her anymore!!!

02:39 CLOE

Oh sure! Why would he keep dating a beautiful and attractive jazz singer when he can go out with an insecure weirdo who steals his stuff?!

02:47 ELOC

But we don't know the whole story...Cloe, you should talk to him.

02:50 CLOE

For what?! Everything seems pretty clear to me.

02:53 ELOC

Cloe! Enough with that. I understand that lately most of the men you've met have let you down. But Cloe! Everyone is different.

03:02 CLOE

There's a science called STATISTICS that is on my side, Eloc! You know what, maybe I should, I deserve to know the truth.

03:19 ELOC

This is what love is all about... ups and downs. You're right. He is perfect for her.

03:25 ELOC

Me too. I really hope it works out...
