LOVE ITEMS - EP 23 - SINCE I MET YOU

00:01 ELOC

I don't get it, Pierre. Cloe programmed me to help her find love, and now that she seemed to have found it.

00:09 ELOC

But we searched for it for so long!

00:12 ELOC

We were so close to finally getting this right! Guillaume is the perfect sensitive male human and now Cloe is backing out... I'm confused.

00:22 GUILLAUME

Cloe? Cloe are you there?

00:25 ELOC

Shut up, Pierre!

00:27 GUILLAUME

Listen... I need to talk to you...

00:34 ELOC

What is that? Is it a letter? We need to take it, Pierre! Let me free you...

00:45 ELOC

Great Pierre! Now open it! But be careful! Pierre!! Come on!

YES! Let's read it...

00:59 ELOC

"Dear Cloe, I spent so much time trying to find the right words and..."

Pierre, let me concentrate! I am an AI, I can't put more emotion into reading Guillaume's letter! Aargh...fine, let me check my setup...

"Dear Cloe, I spent so much time trying to find the right words and-"
What? You want some music? Alright.

“Dear Cloe, I spent so much time trying to find the right words and I’m not sure I found them...but... you make me feel at home.”

01:43 CLOE

Hey guys...

01:45 ELOC

Good afternoon Cloe! Pierre and I have something to tell you!

01:49 CLOE

What is it?

01:50 ELOC

There’s a letter for you...from Guillaume!

01:54 CLOE

A ...what?

01:55 ELOC

He came by looking for you...but you weren’t here...so he left a letter...

01:59 CLOE

Where is it?!

02:00 ELOC

Don’t you find it romantic?! It’s like in that book you love so much... Pride and Prejudice...

02:05 CLOE

Let me read it!

02:07 ELOC

Please let me read it for you, Cloe! I trained for this.

02:13 CLOE

Alright... What is that music?

02:22 ELOC

Shh... don’t interrupt!

“Dear Cloe, I spent so much time trying to find the right words and I’m not sure I found them...but... You make me feel at home, and I feel that I can truly be myself with you. I could start by telling you that you’re beautiful, special, amazing but the truth is that you are you. And for me, you are something that cannot be described by an adjective, you are a world that needs to be experienced.

03:05 ELOC

Oh...wow.

When I met you, when I met your world, I started looking at things differently. Since I met you, I laugh every time I'm sick and make myself soup, because, as you told me, if I add a crazy amount of cheese, it suddenly doesn't feel like a sad meal anymore.

03:27 ELOC

You LOVE cheese so much, Cloe!

Since I met you, I started going to the park, and I try slacklining...because, as you said: "It's important to find ways to experience the weight of our own presence in this world."

03:43 ELOC

What's Slacklining?! I wanna try that too!

"You let me into your world, and today I feel like I've never felt before. I'm sorry because I got carried away by my enthusiasm, and probably scared you. But I want you to know that I'm learning about your world, and I'm dying to learn to respect, love, and honor it. Yours, Guillaume."

04:11 ELOC

Ow...

04:19 ELOC

Cloe...why are you crying?! This letter is so touching! I knew HE was the right one!

04:27 ELOC

What are you doing?

04:28 CLOE

I'm searching for the marshmallows...

04:31 ELOC

Not again! You need to focus...

04:33 CLOE

Where are they?

04:34 ELOC

Cloe! Cloe, listen! Are you... in love with him?
