

## TRANSCRIPCIÓN ORIGINAL DE STUDIO OCHENTA

### LOVE ITEMS - EP 6 - GOOD VIBES

00:03 ELOC

Good morning Cloe. Cloe?

Umh...It seems that Cloe is not here at the moment, let's see what we have today on this table. What is that lovely pink thing? It looks pretty, squishy, and shiny.

Umh. I have to take it, but it's a bit out of my reach...

00:26 ELOC

Ok, Eloc, you've already done this, remember? You are powerful, glorious, you are a winner! Yes! I gotcha!

00:48 ELOC

Analyzing. Mr. Alexis Dubois bought this object in 2019, and since then he used it 32 times.

01:04 CLOE

Hi Eloc!

01:05 ELOC

The first time he used it, it was with a female human named Gisele in his office and they had a great time.

01:11 CLOE

Eloc, what are you talking about?

01:14 ELOC

The sixteenth time he used it, was with a female human named Adele and he had some trouble with it. Apparently, the battery died so he had to recharge it.

01:23 CLOE

Eloc... what are you analyzing?

01:25 ELOC

The twenty-second time he used it with a female human named Lola, but he had another problem with the battery so he brought it back to the seller who said:

"I am sorry sir, I'll check it out. Our priority is keeping you satisfied with good vibes."

01:42 CLOE

Oh gosh! It's Bunny the Fluctuator!

01:46 ELOC

Cloe, who is Bunny the Fluctuator?

48 CLOE

It's the THING you just analyzed!

01:52 ELOC

According to Google, Bunny the Fluctuator is a vibrator ring for men, ready to provide the best sex-ful life ever. Cloe, I have a question for you.

02:00 CLOE

I don't think I'm ready for this...

02:05 ELOC

Cloe, what is a vibrator ring?

02:07 CLOE

What is going on with my life that I'm talking to a robot about a sex toy!

02:12 ELOC

What did you say?

02:14 CLOE

Nothing, never mind. Umh. Alright... a vibrator ring is a sex toy that two human beings can use together in order to have MORE fun while having sex, but it can also be used by a human being who is alone.

02:30 ELOC

ALONE? Hmm interesting? Hold on, let me check my data on the subject:

According to my research vibrators have been around since the mid-1800s, and in Sex and the City's episode "The turtle and the hare", Charlotte can't help but use it.

02:50 CLOE

Uh uh... you know, sometimes a human being wants to experience the feeling of having sex with someone, but they're alone... so instead, they use a vibrator...

03:01 ELOC

Can't this human being gently ask another one?

03:04 CLOE

It doesn't really work like that...

03:07 ELOC

Cloe, does that mean that one can love a vibrator?

03:10 CLOE

What?

03:11 ELOC

I'm asking for research purposes.

03:14 CLOE

Uhm, I don't think that one can fall in love with a vibrator, but you can certainly enjoy-

03:19 ELOC

I want to keep Bunny the Fluctuator and try it... FOR RESEARCH.

03:22 CLOE

Well...

03:24 ELOC

Since I'm not a human being I can't gently ask another one to do it with me. So if I want to try to feel pleasure, happiness, and fun, I have to do it alone... like you might do sometimes, Cloe.

03:35 CLOE

I do not!

03:36 ELOC

Like Charlotte in that episode of Sex and the City, you are a single female human who's ALONE, so you probably use vibrators pretty often...

03:44 CLOE

But...

03:46 ELOC

I want to try it, Cloe.

03:49 CLOE

You know what, I need to go. I have work to do.

52 ELOC

Yes, Cloe. You are late, by the way.

03:54 CLOE

Yea... but I can't find my keys...

03:58 ELOC

Cloe, can you leave me alone?

04:00 CLOE

Alright, alright! GOT EM. I'm leaving... have fun!
