LOVE ITEMS - EP 7 - MORE PEOPLE, MORE LOVE

00:04 ELOC

Good afternoon Cloe, it is a beautiful sunny day here in Paris, spring is coming and love is in the air! It seems the perfect day for a lovely walk.

00:15 ELOC

After my experience with Bunny the Fluctuator, I researched the role of sex and self-pleasure in movies and TV series and I found new data points to include in the romance formula. Cloe, are you listening to me?

00:30 CLOE

Umh, not really Eloc! I'm in a rush I've got a date with the Bunny the Fluctuator guy. His name is Alexis!

00:35 ELOC

You sound a bit nervous...

00:37 CLOE

I'm not!

00:38 ELOC

Per my research, I learned that human beings release stress when they experience self-pleasure. You look a bit stressed, Cloe. If you want I can give you Bunny the Fluctuator.

00:48 CLOE

There's no need, Eloc...

00:50 ELOC

If you don't want to use Bunny the Fluctuator, I can recommend you a sex-toy store in Pigalle called Lâchez vos inhibitions-

00:59 CLOE

Ok... Before I go, I stole something else from him for you to analyze...

01:05 ELOC

OK, Cloe. I'd be happy to analyze it.

01:08 CLOE

Ok... it's... a gummy bear. You never analyzed anything edible so... I'm not sure how it might affect your processor...

01:16 ELOC

Let's try, Cloe.

01:18 CLOE

Alright

01:24 ELOC

Analyzing. Last week Alexis and his girlfriend went on a road trip to southern France. They got hungry so they bought a box of gummy bears and this one got stuck under the seat where you found it.

01:44 CLOE

His girlfriend?!

01:46 ELOC

One of his girlfriends. It seems that Mr. Alexis Dubois is in a polyamorous relationship.

01:52 CLOE

Ummmm...

01:54 ELOC

Cloe, the word polyamory derives from the Greek word Poly and the Latin word Amor, which literally means "Multiple love". Don't you want to multiply love, Cloe?

02:04 CLOE

I DO Eloc, but I'm currently at zero relationships. I can barely even get one, how could I handle two? I'd go crazy!

02:12 ELOC

"Crazy in Love" is a song recorded by the American singer Beyonce and released in 2003, the song starts with the words:

"Uh oh, uh oh, uh oh, oh, no, no (ow)"

02:29 ELOC

What are you doing, Cloe?

02:31 CLOE

I need an excuse to cancel my date.

02:35 ELOC

DATE CANCELING PROTOCOL: ACTIVATED.

Step 1: If you don't want to go out on a date with a male human you can say that you feel sick because you are on your period.

02:46 CLOE

You're right, Eloc.

"Hi Alexis, sorry but I have to cancel our appointment. I just got my period and I feel awful..."

02:55 ELOC

Step 2: You should also say that you feel "emotionally sensitive" to ensure he doesn't insist.

03:03 CLOE

"...and I feel really emotionally sensitive. Thanks for understanding, Cloe."

03:10 CLOE

Oh wow, I wasn't expecting him to reply so fast...

"Hi Cloe, I'm so sorry to hear that, my girlfriend and I are taking a walk in your neighborhood. Do you want us to bring you something?" Umm, no.

03:28 ELOC

Step 3: Mentioning that your pet is sick too is usually a deal breaker. Cloe, even if you don't have a pet, you should use this excuse.

03:38 CLOE

Let's try. "Thank you, Alexis, but there's no need to worry! Plus, I need to watch over my hamster, he's not doing so well..."

03:53 CLOE

"I'm sorry to hear that, Cloe. Well, feel better! I'll see you next time then!"

Thank God...

04:01 ELOC

Cloe that's the 4th date you've canceled this week because of a love story I told you. You're not going to find love that way. More people, more love only works if you actually see them, Cloe!

04:11 CLOE

Uh huh... You know I read somewhere that pets can help with learning about love and caring for another person. Maybe I should adopt a hamster or something...

04:21 ELOC

Cloe, adopting a hamster will not help you find a man.

04:24 CLOE

But it might help us with the Romance Formula and learning about what I need to do to develop real feelings for another being.

04:30 ELOC

But Cloe, you can barely take care of yourself. The Chinese food you bought the day before yesterday is still on the table. Cloe, what are you doing?

04:40 CLOE

I'm going to adopt a hamster.

04:41 ELOC

WHAT?

04:43 CLOE

I'm sure you're gonna love him! CIAO!
