

## TRANSCRIPCIÓN ORIGINAL DE STUDIO OCHENTA

### LOVE ITEMS - EP 9 - CRY BABY

00:03 ELOC

Cloe, let's analyze an object.

00:07 CLOE

Mh mh...one sec...

00:08 ELOC

You said that 150 IG Reels ago...

00:11 CLOE

When did you start counting?!

00:13 ELOC

It's part of my data collection around social media. I always check the time you spent on them, and Cloe, it's a lot.

00:20 CLOE

What? It can't be...

00:34 ELOC

What is going on?

00:39 ELOC

Cloe, why are you crying? Did you just see a clip from the movie One day? Or maybe it was Titanic? Was it a Miyazaki movie? You usually cry a lot with those...

00:55 CLOE

It's Davide...

00:57 ELOC

Per my research, there are no romantic movies called Davide that made you cry.

01:02 CLOE

Davide! The compass guy.

01:06 ELOC

Oh, ok.

01:08 CLOE

He's getting married, I just saw it in an IG story...

01:11 ELOC

Cloe, the negative side effects of social media include jealousy, hurt feelings, and negative comparisons. You should stop using them so much.

01:19 CLOE

ELOC! This is not the right time to lecture me on social media use! I can't believe that he's getting married to Alessandra! She was a friend of mine! This is gross.

You know Eloc, when Davide and I broke up she went to his apartment to "console" him.

AAARGH.

01:37 ELOC

As the kids say, "Oh, no she didn't!!".

FRIENDSHIP PROTOCOL LEVEL 2: ACTIVATED.

Step 1: If a friend of yours discovers that her ex-boyfriend is getting married to another woman, you should support your friend, no matter what.

Cloe, you have my support, no matter what.

02:00 CLOE

I don't get it. With me he couldn't even CHANGE THE SHEETS?! He is so immature, he even forgot my birthday once, did I tell you that?!

02:09 ELOC

Step 2: In order to support your friend, you should slander her ex-boyfriend and his new girlfriend.

Cloe, Davide is a chameleon, and his new girlfriend is an armadillo.

02:22 CLOE

What?

02:24 ELOC

Yes Cloe, chameleons camouflage when they want to mate. Davide is adept in this technique. Armadillos have long, sticky tongues they use to catch prey. This female human named Alessandra used her sticky tongue on Davide.

02:38 CLOE

Yeah I guess...

02:41 ELOC

Step 3: In order to support your friend you need to remind her that her ex-boyfriend didn't deserve her and that she's flawless.

Cloe, You are a glorious manatee.

02:56 CLOE

What?

02:57 ELOC

Manatees handle situations with gentleness and warmth.

03:01 CLOE

Thank you....? It's hard, you know? At the end of the day, I just feel...lonely.

03:17 ELOC

Where are you going, Cloe?

03:20 CLOE

I'm going to buy some marshmallows...

03:23 ELOC

But you quit, Cloe...

03:25 CLOE

I know, but I need them now...

03:27 ELOC

You remember last time... It gave a whole new meaning to the expression "sticky situation"

03:32 CLOE

I just want something sweet, GOSH!

03:36 ELOC

Alright, Cloe... Cloe?

03:40 CLOE

Yes, Eloc?

03:43 ELOC

You are not alone, Pierre and I are here for you or to paraphrase the words of pop icon

Gloria Gaynor: "You will survive"

Here's Eloc's Mix.
